Co-Founder/ Artistic Coordinator – Gratuitous B Productions (2006-2007)

Gratuitous B Productions (Grat B) is a non-profit organization (501c3 pending) created to develop burgeoning performing arts companies and artists. My primary duties included developing and implementing the process of qualifying companies and artists to work with Grat B, overseeing artistic integrity for developing companies, and maintaining internal communication between companies and Grat B staff.

Secondary responsibilities included working as the primary Grat B spokesman, overseeing the initial public relations/marketing team for Grat B, and developing fund-raising and sponsorship programs.

(Interim) Associate Artistic Director of The Enclave of the Arts for The Joshua Squad(2007)

This position was a part of the development stages of The Enclave of the Arts. I was responsible for developing training standards and program concepts for the Joshua Squad aspect of the Enclave. This included developing an outline for advanced training in physical theatre and determining operating procedures for the Joshua Squad aspect.
